Sample Wealth Report

A 2-page preview of what your ?199 full Wealth Report looks like

Dhana Yogas Detected

Sample chart shows 3 wealth yogas: (1) 2nd lord + 11th lord in mutual reception, (2) Jupiter in the 2nd house, (3) Venus in Libra (own sign) in the 11th. This is a strong triple-Dhana pattern — indicates natural wealth generation, gains from investments, and inheritance likelihood.

Financial Freedom Timing

Primary financial freedom window: Jupiter Mahadasha (2033-2049). Secondary consolidation: Venus antardasha of Jupiter mahadasha (2038-2041). Expect major wealth events during Jupiter's transits through the 2nd house (roughly every 12 years — next in 2029) and 11th house (next in 2032). Business or investment moves during these windows deliver disproportionate returns.

Wealth Preservation Recommendations

Avoid speculative investments during Rahu antardashas (unpredictable). Real estate purchases are best in 4th lord dasha windows. Gold and gemstone investments align with Venus periods. Long-term SIPs work best when initiated in Jupiter-friendly months (August-October each year).
